**Description of the campaign:**

**1. Background of the case**

Field Supervisor of Dharampur I GP Mr. Abdul Halim were in a old CIG meeting with the agenda of JSY and its facilities with few CIG groups in the concern GP. During the discussion few mothers of this meeting raise questions that we, despite our all required documents submission around 1 year ago we have not provided the JSY amount so far. In fact during the PNC we did not found the ANM in the Sub Centre we try to get the money for the last 1 year but still it is in the hand of ANM. Around 25 mothers aggressively present themselves that they will not leave it easily. They further said that they will go for a campaign (DARNA) with all JSY victim mothers against of the ANM Gopa Bhomick of Gorgoach Sub Centre under Dharampur IGP. Meanwhile the NOSKK field Supervisor share and discuss about the legalities of a peaceful & legal campaign (DHARNA) against any one or the process of the campaign. After the discussion they themselves the CIG groups decided to arrange more mothers of JSY victim of this concern Sub Centre and immediately they fixed a date for the campaign on 31<sup>st</sup> January 2015 and also Asnara Khatoon the group leader of Asnara CIG Dal and Sarjina Khatoon the group leader of Sarjina CIG Dal take the responsibility to inform and to gathered all that victim mothers from the nearby villages to join the campaign.

Then Asnara and Sarjina visit few nearby villages namely: 1.Rajbari 2.Jharbari Singhnath 3.Bogladangi 4.Gorgoach 5.Bindhabari along with the NOSKK field supervisor namely: 1. Abdul Halim 2.Anadul Haque.

Rousan CG Dal 2.Asiya CIG Dal 3.Sahara CIG Dal there they share about the details of the campaign in small group meetings, the meetings is address by both NOSKK staffs and the two CIG leaders after the meeting all these groups become agreed to participate in the campaign and Sima khatoon Of Rousan CIG Dal, Tahera Banu Of Aiysha CIG Dal, and Noor Banu of Sahara CIG dal take the responsibility of individual contact in the concern villages and to gathered in the Sub Centre premises on said date at 10:30 am in a hues amount of victim mothers.

### **On the Campaign day 31<sup>st</sup> January 2015**

As per the plan of these groups gradually the steps of the victim mothers moved towards the Sub Centre and nearby 11:30 am in the morning of 31<sup>st</sup> January gathered around 200 women's of 6 villages and 5 nos. Of CIG groups participated and facilitated the whole process.

First of all they locked the Sub Centre keeping ANM and all other health personals inside it and then they raise their voices collectively to provide them their rights on that very day, they wants no more excuse of delay or any type of console for further arrangements only one voice of 300 is we want our JSY money (which is our rights) by today. During the campaign ANM Gopa Bhomick tried her best to console them, request them and promise them for quick action on it

but to break the campaign, but the mothers stand with one demand of NO MORE DELAY, NO MORE EXCUSE, WE WANT RIGHT NOW. Mean while the Pradhan of this GP Ms. Shahnaj Begum also try to move the gathering with fake promises to be the side of ANM but they refuse the request the Pradhan too. With the increasing pressure and tense environment ANM become compelled to inform her higher authority for her help from Lodhan BPHC. Until the higher authority reached around 5Pm in the evening the mothers waited with the HUNGER AND CRYING of their infant babies. Around 5pm few staffs from BPHC reached the campaign premises namely: Khurshed Jahan Begum (BMOH), Accountant Sanatan, ANM supervisor Usman Ghani and few others along with the check book and they along with the PRI and held a short discussion and decided to payment it now and when they seek the list of JSY mothers from the ANM for the payment she become keep mom because she haven't any records of it due to her irregularity in the sub centre. Then they said to the few group leaders along with the NOSKK staffs to prepare a genuine line listing of such mothers/beneficiaries. Until the list prepared with the collective efforts of the NOSKK staffs and few CIG group leaders the entire participant waited till 7 pm at night. After the listing of **332** mothers the Pradhan and BMOH request to the mass to go back home for their babies safe health with the promise of today's payment then the mass is moving towards home around 8Pm. and with the help of BPHC accountant and other staffs the further process of fill up forms and clear all due amount by check is started till late night. And among 332 checks few are handed over to Pradhan for the payment to the beneficiaries in the next morning.
